READING

A reminder that children must read at home. Books are sent home with children to read and must be returned to school once your child has finished reading it. If books are not returned to School a new book will not be handed out.

SWIMMING – RECEPTION CLASS

Children in Reception will be attending Swimming classes every Wednesday this half term.

ONLINE SAFETY

Can parents/carers please check what their children are accessing online. We are finding many young children accessing TikTok and Snapchat When they are not old enough to. This is causing issues within school.

Pizza Express Trip – Year 1&2

Year 1/2 will be going to Pizza Express on 7th February. Letters will be handed out with consent forms.

If you are happy for your child to attend please complete and return the consent form to school before the 7th February.

Have your say on improving Emotional Wellbeing and Mental Health support for Children and Young People

North East and North Cumbria NHS Integrated Care Board and Northumberland County Council are consulting on how to strengthen support for children and young people with emotional wellbeing and mental health needs.

Northumberland's Emotional Wellbeing and Mental Health Strategy for Children and Young People 2022-25 sets out the local partnership's vision for the future and how it will address the need for children and young people to receive the most appropriate support at the right time.

NHS, public health services and practitioners who work across education, health and social care and representatives from the voluntary sector have all worked together with young people and their families to produce the draft strategy.

Now, further views are being sought before the final strategy is presented to the NHS North East and North Cumbria Integrated Care Board for approval.
