CHILDREN'S CANCER RUN

Thank you all so much for your sponsor money. This is a brilliant cause and we are so grateful for your donations.

The children were all fantastic when doing their run and we had a great time!

So far we have raised £432.00 which is amazing! We will have a final number next week.

FOOTBALL TOURNAMENT

We would like to say a huge well done to all of the children who took part in the football tournament again this week.

They were all superstars and we are so proud of them.

HOLIDAY CLUB

Our summer holiday club is now full and a text will be sent today to confirm your child's place.

A letter will be sent home next week asking for all relevant information. Please ensure this is handed back into school as soon as possible.

Thank you

SUN SAFETY

As the weather is getting hotter we would ask that all pupils have sun tan lotion applied before attending school in the morning and that all pupils bring a hat into school with them to protect them from the sun.

Thank you
