Pupil of the week

Our pupil of the week last week was Maisy O'Brien for creating and solving super number stories and never giving up. Well done Maisy.

Communication

We would like to remind parents that sometimes the office can be very busy first thing in a morning and last thing at night. Can you please make sure if your child is travelling home with someone else then you let us know as we are often chasing up this information. Can we also remind you dinner money should be paid on a Monday to avoid it coming in all different days?

We have been having problems with the school phones so we are not receiving answer machine messages at present. If it is easier then please send an email to the office and we will deal with it as soon as possible.

Newcastle United Football Foundation

Many of you are aware that we buy in to the NUFC Foundation Primary Stars programme as part of our PE and school Sport action plan. We have some fabulous coaches who do not just deliver lessons about football but about healthy eating, disability and keeping active.

Last week two of our amazing girls; Anna and Emma Holman, won the Primary Star award and they went to an amazing dinner where they were presented with this. They were

chosen out of all the schools in the North East by the coaches themselves. This is guite an achievement for the girls and great to see our little school providing opportunities to get girls in to sport. Well done girls! Cambois is proud of you!

Christmas is fast approaching and we are in desperate need for raffle and tombola prizes. Can you help? Please send in to the office asap. Your help is greatly appreciated.

<u>Children in Need</u> Friday 17th Nov 2017

This Friday the children can pay 50p to come to school in pyjamas or spots! Another 50p and the children win Pudsey's friend by guessing their name. Finally, let's see if we can fill Pudsey with any loose change you have.
