PARKING

We would like to ask all parents/carers to please be mindful when parking before and after school. We have noticed on several occasions cars parked in positions which are blocking other cars in and parking in a way which could cause a serious accident to our students. Please ensure you leave enough space for cars to safely pass by to enter and exit the school and do not park directly in front of the school unless you have a disabled badge in clear view in your car.

We ask that you also please adhere to the speed limit when entering and exiting the school.

Many thanks.

SCHOOL NURSE APPOINTMENTS

We kindly ask that if anyone has arranged an appointment with our school Nurse that they ensure they attend their appointment or contact the school in advance if you are unable to attend.

Many thanks.

DRINKS

We have noticed a number of students bringing in bottles of Prime Energy and other drinks which are not permitted in School.

Children are not required to bring drinks into school as they have access to water bottles throughout the day.

Thank you

We have a team of people from Ian Lavery's office coming into school on Friday 27th January to run a cost of living workshop/consultation/support network. This will take place at 3:15pm.

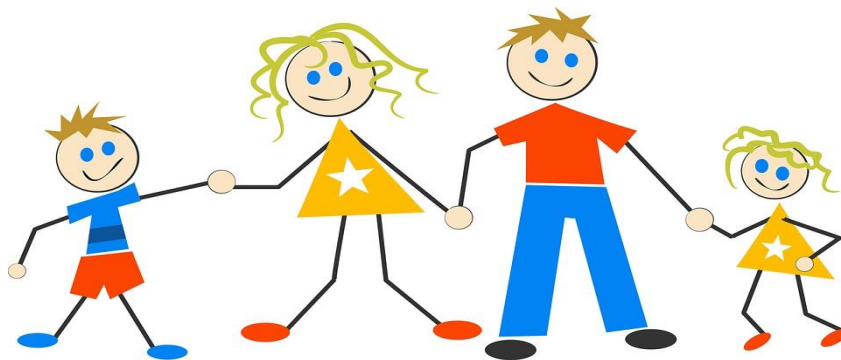

This will be open to everyone who would like to attend. Please enter through Reception and sign your name on the sign in sheet on entry.
