14th October 2022

CLOTHES BANK COLLECTION

There will be a collection from our clothes bank on Monday 17th October. If you have any clothes that you would wish to donate could you please try to drop them off before Monday.

Many thanks

HOLIDAY CLUB

We will be running a Holiday Club in the October holidays. The Club will be Halloween themed crafts and activities led by our school staff. This is a free club and lunch and snacks will be provided.

The Club will take place on Wednesday 26th and Thursday 27th October from 10:00am – 2:00pm for children from Reception to Year 6

A Google form has been sent out to all parents and this will be on a first come first served basis. If you do sign your child up please ensure that you do bring them along to the club.

HALLOWEEN DISCO

We will be hosting a Halloween Disco in School on Monday 31st October from 3:00pm-4:00pm.

Tickets cost £2 and this will include a hotdog and a drink. Additional snacks can be purchased.

Children can come into school in their costumes on this day if they wish.

There will be a prize for the best homemade costumes.

DONATIONS FOR BOTH OPAL AND FOREST SCHOOL

We are running very low on resources for both OPAL and Forest school.

We would welcome donations of anything you feel might benefit the children's outdoor learning experience, but have included a list of suggestions that might be helpful:

Doll's prams/dolls, small scale toys such as cars, playmobil, dinosaurs, animals etc. We would also love any old pans, wooden or metal spoons and utensils (nothing sharp!) and metal biscuit tins.

Thank you in advance for your support.

RUGBY

Some of our amazing children attended the Squads on the Tyne Tag Rugby Festival today at Newcastle Falcons home pitch.

They were all outstanding, their attitude and behaviour was fantastic and we are so proud of them all.

HARVEST FESTIVAL SERVICE

There will be a Family Harvest Festival Service at St. Andrew's Church this Sunday at 10.30am with refreshments afterwards.

All welcome

RESEARCH INVOLVEMENT

We have been asked by the Department of Education, University of Oxford to share the following information with Parents and Carers:-

Join us for a workshop on improving the design of apps for families to use together at home!

Do you use apps, e-books or digital games with your children? Would you like to contribute to cutting-edge research at the University of Oxford? We would love to hear from you!

We are looking for parents and educators to join us at an interactive online workshop to help guide the next steps of our research.

We are keen to learn from your knowledge and experiences of using apps with children aged 3 to 7 to inform the design of a new educational app that supports adult-child co-play and learning.

Please go to the following link to register for your place. The password is *lift2022*

[LiFT Knowledge Exchange Hub: Joint Media Engagement Tickets, Fri 4 Nov 2022 at 09:30 | Eventbrite](#)

We are investigating how children and families use apps together – and how the *design* of apps, games and e-books can be improved to enhance those experiences. As well as helping us to shape our ideas about the project, the workshop will also give you an insight into our research, ideas on how to use apps, games and e-books with children to support their learning, and (for educators) support your professional development.

DATES TO REMEMBER

- Every Monday – Swimming Year 6 (one half)
- Every Wednesday – Swimming Year 6 (one half)
- Every Thursday – Swimming Years 1 & 2 (alternate weeks)
- Every Thursday – Surf School Year 5
